A Little History About Us...

RDM Industrial Products, Inc. provides an array of quality industrial furniture and support products to the Advanced Technology, Biotechnology, Electronics, Healthcare, and many other private and commercial industries. Established in 1977, RDM has been in the California Bay Area for over 30 years. Our facility is conveniently located in the heart of the Silicon Valley and can provide your company with the quality products and services you demand quickly. We specialize in shipping our products to locations nationwide on demand and on time.

Our company slogan / goals are:

QUALITY • SERVICE • TIMING

As a manufacturer of industrial furniture, we produce workbenches, lab tables, technician workstations, lift tables, laminar flow stations with HEPA filtration, We also manufacture commercial cabinets (European-style with slab type doors), service counters, reception counters, conference tables, countertops, display and store fixtures, and laboratory cabinets and tops.

As a distributor, we offer many of the peripheral products that compliment our manufactured products, such as laboratory and cleanroom seating, storage cabinets, file cabinets, wire shelving, carts, ESD static control products, and many ergonomic solutions such as foot rests, keyboard holders, flat screen monitor stands, CRT monitor stands.

As a registered California Small Business, RDM Industrial Products is ready to help you with your projects.

If you are local to the Bay Area, we invite you to visit our showroom, located near the Heart of Silicon Valley at 1652 Watson Court in Milpitas, California, where you can view our many styles of lab tables, workstations, workbenches and their accessories. Here you can see our specialty table models in action, like our ergonomic lift table which is equipped with an electronically-operated hydraulic lift system (Model A-107P, Lift Table), or our double sided workstation (Model T-101P), ball-transfer tables, heavy duty tables, LAN workstations, laminar flow stations, and much more. We also have many of the peripheral products that we offer on display, such as Seating, Shelving, Material Handling, Cabinets, and ESD (Static Control) items.

Please browse through our web site and feel free to call us (408-945-8400) with any questions you may have regarding our products or services. We will gladly provide you with a quote on all items you may be interested in. Thank you for your time and interest with RDM Industrial Products...

We look forward to hearing from you...

The RDM Crew !!
